

Summertime Shipping Alert!

June 15th - September 15th

Our priority is to ensure all packages arrive in great shape and taste the way they should. Shipping food during the summer is challenging.

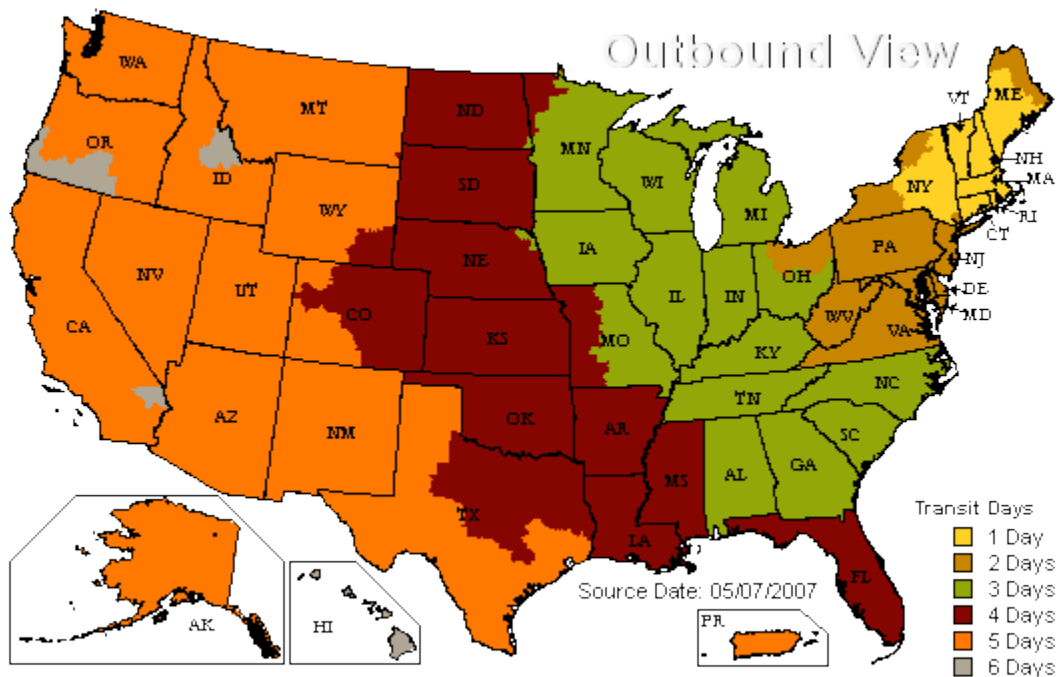

When the weather gets hot, if you purchase an item with a , we will automatically add \$7 to cover special packaging & cold packs to ensure your perishable gets to its destination safe & sound. The fee will appear as a separate charge on your credit card and we will email you confirmation.

All summertime packages must arrive in 2 days. If you purchase an item with a , and you are outside the UPS 2 Day Regular Ground shipping zone,* you will need to purchase a 2 Day Air Upgrade at checkout.

If you are shipping outside the regular ground 2 day zone and you forget to upgrade, we will add the two-day air charge of \$15 for you. The fee will appear as a separate charge on your credit card and we will email you confirmation.

***UPS delivers Regular Ground in 2 days for most of New England, and a good portion of the Mid Atlantic...see shipping map below.**

If you are sending a package to the brown or yellow sections, you will NOT need to upgrade.

Sorry this is confusing, but shipping perishables in the summer is tricky. Questions? Feel free to email us or call 802-457-3658 and we'd be happy to go through this with you.
