WFM is committed to being the best: giving the best service, selling the highest quality food and maintaining the highest levels of sanitation. We strive to improve everything we do. We are proud of the way we do things--it has brought us to the levels we have attained today. Therefore, in an effort to uphold our standards, we hire only those who are speedy, happy, hard-working, independent thinking, intelligent and fun loving. We look at a position at the Market as a serious commitment. We're a strong team and as an organization we are committed in return to our employees.

Since the busiest retail days are weekends and holidays, you'll be expected to be available during those times. Some departments have exceptions—so make sure you tell us your restrictions up front so we can evaluate them. Additionally, because we are the busiest early in the day and later in the afternoon, you will be expected to work both morning and evening shifts. We stress that these hours are not for everyone. Please be candid in your evaluation of these hours and let's make sure we talk about them.

Please fill this application out carefully and accurately. *This is a reflection of you.* We are an equal opportunity employer. If the application meets our early requirements, we will call you to set up an interview.
